MESSAGE

I am glad to learn that National Military Memorial Park, Bengaluru is being constructed. The Memorial Park will be a genuine tribute to all the martyrs who laid down their lives in service of the Nation.

The Memorial Park will serve as a reminder to the generations to come so that they may remember the countless sacrifices of the martyrs and draw inspiration from their life and ideals. I am sure the Memorial Park will fulfil a long-standing demand to construct a memorial in honour of the martyrs.

The initiative is indeed a timely one and deserves all appreciation. The city of Bengaluru will provide an ideal backdrop for the Military Memorial Park.

I am sure that the Memorial Park will fill our citizens with pride and patriotism and will encourage them to work for the all round development of our nation and the society.

I extend my best wishes for the completion of National Military Memorial Park and wish the initiative all success.

Warm regards,

(A.K Antony)
