

17 March, 2010

Excellency

This is with reference to the identity card currently being used by the Members of Parliament.

As you are aware, an identity card is a symbol of the pride, heritage and dignity of the House. The current design seems outdated and does not convey the spirit and symbolism of Parliament membership to the viewer.

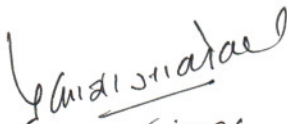

We would request that you commission a new design that will more appropriately represent the stature, prestige and dignity of Parliament.

Very truly yours,

RAJEEV CHANDRASHEKHAR
Div. 163

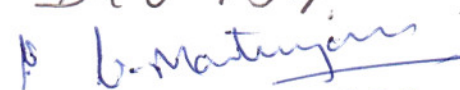

Nareesh Gujral
